

**Featherstone National Wildlife Refuge Trail Segment (PHNST) (Project# 16C13010 -**

- \* Multiple Locations - Amenity: Trails & Blueways -
- \* The Potomac Heritage National Scenic Trail (PHNST) is designed to be a multi-use trail through the County and is part of the national trail that links the Potomac and upper Ohio River basins. This project involves construction of PHNST trail segment in Featherstone National Wildlife Refuge.
- \* Project Update: Groundbreaking held in August. Trail construction is under way. A delay occurred due to bridge design complications. Boardwalk and bridge shop drawings are now approved. Removal of trees began in February. Construction of trail has not resumed due to an eagle's nest identified in the construction zone. Bridge delivery anticipated in fall.
- \* Status: Construction
- \* Estimated Completion: Fall 2025

Project Number	Project Type	Budget	Total Cost & Commitment	Available Balance
16C13010	Facility/Building	\$3,898,190.00	\$3,114,878.54	\$783,311.46
