

Powells Creek Crossing (PHNST) (Project# 22C13009 - POTOMAC)

- * Powell's Landing Park - Amenity: Trails & Blueways -
- * This project constructs a major trail segment of the Potomac Heritage National Scenic Trail (PHNST). The PHNST is designed to be a multi-use trail through the County and is part of the national trail that links the Potomac and upper Ohio River basins. The project was included in the 2019 bond referendum question for park improvements that was approved by voters.
- * Project Update: Preliminary design contract awarded September 2023. Initial site investigation and stakeholder meetings completed in April 2024. Crossing concepts received and reviewed. Public engagement meetings held in mid-September to review final concept. Report on 10% design delivered. Staff has finalized a cost proposal to progress to 35% design.
- * Status: Design
- * Estimated Completion: Winter 2027
